Date: Thursday February 25th, 2010

Time: 6:00-7:30pm

Location: Bertuccis

881 Walt Whitman Rd.
Melville, NY 11747
Phone: 631-427-9700

Topic: *Going Green*

The LI ASQ presents an evening discussion on alternative energy options for home or work and how to instill good environmental practices at your company through the implementation of an environmental management system.

Speakers:

Brett Nielsen
Energy Consultant; Green Logic Energy
"Owning your energy" -Renewable and clean energy options

Vincent Serra
Consultant; Business Improvement Systems
Understanding ISO 14000 and how it could help your company with environmental compliance

A light dinner and soft drinks will be served. Door prizes to be given out for any member that gets a non member to come down.

Please go to the LI ASQ website to sign up for this event at :
